NEW INTRODUCTIONS

We are proud to introduce the following two new varieties of Japanese Iris. They are outstanding in beauty and a genuine contribution to Japanese Iris varieties.

ELBRUS

We consider this the best of all the clear lavender. The flower is exceptionally large, 6 petalled and in color is a beautiful clear lavender, almost azure-blue. Plant of vigorous growth: moderately tall, strong graceful foliage. \$7.20 per Doz., \$50.00 per 100.

LIGHT-IN-THE-OPAL

In this variety we have achieved a long sought goal, the production of a genuine pink Japanese Iris. The flower is 8" in diameter, of perfect form and substance. A golden throat surrounded by a blue halo in a field of clear pink. The plant is tall and graceful; flowers held well above foliage. The finest pink Japanese Iris ever offered. \$10.80 per Doz., \$75.00 per 100.
